4<sup>th</sup> International  
Conference on  
Spray Deposition and  
Melt Atomization

SDMA 2009 / ICSF VII

7<sup>th</sup> International  
Conference on  
Spray Forming

Bremen, Germany

September 7-9, 2009

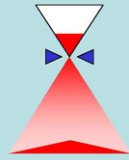

# Topics

The upcoming conferences

## 4<sup>th</sup> International Conference on Spray Deposition and Melt Atomization

combined with

## 7<sup>th</sup> International Conference on Spray Forming

will take place in Bremen, Germany, from the 7th to the 9th of September, 2009.

The conference will provide a unique platform for discussions and reports of the latest commercial, experimental, theoretical and numerical studies in the fields of:

- melt atomization,
- spray forming,
- thermal spraying, and
- down-stream processing of spray deposited products.

The aim is an interdisciplinary exchange among scientists, engineers, and end-users from the related areas to discuss new technologies, applications and trends.

## Areas

Special areas to be covered will include:

- **Advanced materials:**
  - steel, copper, aluminium, nickel and silicon alloys
  - MMC's

- **New or modified process routes:**
  - process related measurement techniques
  - process control
  - modelling and simulation
- **Fundamental studies on:**
  - melt atomization
  - gas particle interaction
  - particle-surface interaction

In combination with the scientific program of the conference, a social program for participants and accompanying persons will be offered to gather in a relaxed and stimulating atmosphere.

## Abstracts

Paper selection will be based on the review of abstracts of approx. 300 words.

Abstracts should be sent in PDF-format by e-mail till Feb. 15th, 2009 to:

sdma2009@iwt.uni-bremen.de

## Deadlines

Submission of abstracts:	Feb. 15th, 2009
Notification of abstract acceptance:	March 15th, 2009
Full manuscript due:	June 15th, 2009

## Language

The conference language is English.

# Proceedings

All papers accepted for presentation in oral or poster sessions (and with at least one author registered) will be included in a Proceedings Volume on CD-Rom that will be issued to delegates at the registration desk together with a book of abstracts. Subsequently, a special issue of an International Journal containing selected papers from the conference will be published.

## Location

The SDMA 2009 / ICSF VII will take place at the University of Bremen, Germany.

## Accommodation

Hotels close to the place of the Conference are recommended. Please find further details on the Conference web site. To ensure you get a discounted room in these hotels, reservations have to be made until July, 13th 2009 at the latest.
